

Living well in Yarra – survey

PAGE 1 OF 10

We're asking people who live, work and visit Yarra to complete this survey to share their views on what it means to live 'well'.

Your responses will be used to develop two key strategies for Council – the Active and Healthy Ageing Strategy and the Access and Inclusion Strategy.

Both strategies will guide Council's work over the next six years to support older people (aged 50 years and over) and people with a disability - including their families and carers - to live well in Yarra.

All responses that include contact details will go into the running to win one of several \$25 Coles Myer gift vouchers.

If you need assistance with filling in this survey or would like this survey in an alternative, accessible format, please call us on **9205 5555** or **133 677** for TTY users.

Please return this survey before 5pm, Thursday 29 March 2018.
